## Principal's Message

Dear Parents and Guardians,

April is upon us and the sun is shining! April showers bring long hours!

We continue to be the best school on the planet and are rocking it as we move into our final push into year end. April has brought us lots of exciting events and learning opportunities.

I'd like to take time to thank all of our sponsors and contributors to the school this year. Without you, we wouldn't be able to offer the numerous programs, activities, and events that we do! You are making a positive difference in the lives of young people and should be proud of your contributions!

These companies and organizations have contributed either through monetary donations or in-kind support (If you helped and I missed you, I am sorry):

Community Justice, Enbridge, District Education Authority, Hodgson's Contracting, Imperial Oil, MACA, Mr. Joe's, Northern, Northridge, Northwright Airways, Nutrition North, Ramparts, RCMP, and Royal Canadian Legion.

I'd also like to recognize our community volunteers and their contribution in and out of the school for helping our youth in any capacity. These people are:

Basketball –Ms. Paige, Mr. McGregor, and Mr. Duclos  
Drama Club –Mr. Baetz and Mr. Duclos  
Cooking Club –Ms. Brown  
Grad Coordination –Ms. Brown and Mr. Elke

Also, any user groups that I missed that work with our youth and anyone in town who takes time out of his or her busy life to make time working with students! Thank you!

Finally, parents, we need your help! The absolute biggest aspect of a solid education at school is the team work between the teacher and the parent. Let's continue to work together to help our students achieve greatness! We, as a staff, have been working on our own communication home and I hope that you have noticed an increase in the communication from our end. We are working on increasing this so that we can work together to teach our youth the importance of education both through academics and character development. We have the best kids here but that is because we continue to work together to show them how to be lifelong learners and how to always be striving for excellence. Call, text, email, even walkie talkie us (is this even a thing anymore?! We are here to support and help! Let's continue to tackle this together and work towards helping our youth work towards and achieve their potential!

Overall, you are ALL beauties and I appreciate all that you do! It's no surprise that with a community like this we have a school like this and students of supreme excellence!

Bring on the sunny days and nice weather!

Michael Duclos, Principal
